

## STANDARD GENERAL TERMS AND CONDITIONS

### 1. DEFINITIONS.

- A. **Contract or Contractor.** The parties understand that the use of the terms “Contract” and “Contractor” throughout this Agreement shall mean “Grant Agreement” and “Grantee” respectively.
- B. **Contracting Officer.** The person designated to act for the Department in the processing of this Grant Agreement. The person so designated is the Director, Bureau of Administration and Program Support.
- C. **Project Officer.** The person designated to act for the Department in administering this Grant Agreement.
- D. **Sub-grantee.** The entity with whom the Grantee enters into an Agreement to perform work under the Grant Agreement. The term “sub-grantee” shall include sub-contractors and any other term the Grantee may use for such an entity.

### 2. GRANT AGREEMENT CONSTRUCTION.

The provisions of this Grant Agreement shall be construed in accordance with the provision of the Laws of the Commonwealth of Pennsylvania.

### 3. GRANT AGREEMENT CONTROVERSIES.

- A. All questions or disputes arising between the parties hereto respecting any matter pertaining to this Grant Agreement or any part thereof or any breach of Grant Agreement arising thereunder must be filed as a written claim with the Contracting Officer within six months after the cause of action accrues. The claim shall be filed as of the date of receipt by the agency. The claim shall state all grounds upon which the Grantee asserts a controversy exists. If the contractor fails to file a claim or files an untimely claim, the Grantee is deemed to have waived its right to assert a claim in any forum.
- B. The Contracting Officer shall review timely-filed claims and issue a determination, in writing, regarding the claim. The determination shall be issued within 120 days of the receipt of the claim, unless extended by consent of the Contracting Officer and the Grantee. The Contracting Officer shall send the written determination to the Contractor. If the Contracting Officer fails to issue a determination within the 120 day period, (unless extended by the consent of the parties), the claim shall be deemed denied. The Contracting Officer's determination shall be considered to be a decision of a subordinate officer, and shall be appealable to the Agency Head or his or her designee within 10 business days pursuant to 1 Pa. Code § 35.20. The matter before the agency shall be subject to 2 Pa.C.S.A., Ch. 5, Subch. A\_(relating to Practice and Procedure of Commonwealth Agencies), and the rules set out in 1 Pa. Code Part II (relating to General Rules of Administrative Practice and Procedure). The Agency Head shall issue a final order which shall be appealable pursuant to 2 Pa.C.S.A., Ch. 7, Subch. A (relating to Judicial Review of Commonwealth Agency Action).
- C. The remedy set forth in this Paragraph (3) shall be the exclusive remedy for the Grantee to resolve such questions and disputes if the Grantee and the Department are unable to resolve them between themselves. Settlement of disputes under this provision must be prior to the final payment to Grantee.

### 4. INDEPENDENT CONTRACTOR.

The Grantee shall perform its services under this Agreement as an independent contractor and shall provide public liability, property damage and workers' compensation insurance, insuring as they may appear, the interests of all parties to the Agreement against any and all claims which may arise out of Grantee's operations under the terms of this Agreement. The Grantee shall accept full responsibility for the payment of premiums for workers' compensation and social security, as well as all income tax deductions and any other taxes or payroll deductions required by law for its employees who are performing services specified by this Agreement.

**5. DEPARTMENT HELD HARMLESS.**

The Grantee shall hold the Commonwealth (including the Department) its officers, agents and employees, harmless against any and all claims, demands and actions based upon or arising out of any activities performed by the Grantee and its officers, agents and employees under this Grant Agreement, and shall, at the request of the Commonwealth, defend any and all actions brought against the Commonwealth based upon any such claims or demands.

**6. ASSIGNABILITY.**

- A. Subject to the terms and condition of this Paragraph 6, this Grant Agreement shall be binding upon the parties and their respective successors and assignors.
- B. The Grantee may not assign, in whole or in part, this Grant Agreement or its rights, duties, obligations, or responsibilities hereunder without the prior written consent of the Contracting Officer, which consent may be withheld at the sole and absolute discretion of the Contracting Officer.
- C. Notwithstanding the foregoing, the Grantee may, without the consent of the Contracting Officer, assign its rights to payment to be received under the Grant Agreement, provided that the Grantee provides written notice of such assignment to the Contracting Officer together with a written acknowledgement from the assignee that any such payments are subject to all of the terms and conditions of this Grant Agreement.
- D. For the purposes of this Grant Agreement, the term "assign" shall include, but shall not be limited to, the sale, gift, assignment, pledge, or other transfer of any ownership interest in the Grantee provided, however, that the term shall not apply to the sale or other transfer of stock of a publicly traded company.
- E. Any assignment consented to by the Contracting Officer shall be evidenced by a written assignment Agreement executed by the Grantee and its assignee in which the assignee agrees to be legally bound by all of the terms and conditions of the Grant Agreement and to assume the duties, obligations, and responsibilities being assigned.
- F. A change of name by the Grantee, following which the Grantee's Federal identification number remains unchanged, shall not be considered to be an assignment hereunder. The Grantee shall give the Contracting Officer written notice of any such change of name.

**7. SUB-GRANTS.**

Except for those sub-grants specifically authorized by this Grant Agreement, the Grantee shall not enter into sub-grants for any of the work contemplated under this Grant Agreement without obtaining prior written approval of the Department, which shall be attached to the original Grant Agreement, and subject to such conditions and provisions as the Department may deem necessary. PROVIDED, however, that notwithstanding the foregoing, unless otherwise provided herein, such prior written approval shall not be required for the purchase by Grantee of articles, supplies, equipment and services which are both necessary for and merely incidental to the performance of the work required under this Grant Agreement; and PROVIDED, further, however, no provision of this clause and no such approval by the Department of any sub-grant shall be deemed in any event in any manner to provide for the incurrence of any obligation of the Department in addition to the total agreed-upon price.

**8. OTHER GRANTEES OR CONTRACTORS.**

The Department may undertake or award other grant agreements or contracts for additional or related work, and the Grantee shall fully cooperate with other grantees or contractors and Department employees and carefully fit its work to such additional work. The Grantee shall not commit or permit any act which will interfere with the performance of work by any other grantee or contractor or by Department employees.

This Paragraph shall be included in the contracts of all grantees and contractors with whom this Contractor will be required to cooperate. The Department shall equitably enforce this Paragraph as to all grantees and

contractors to prevent the imposition of unreasonable burdens on any grantee.

**9. AVAILABILITY OF INFORMATION.**

During the period of this Grant Agreement, all information obtained by the Grantee through work on the project shall be made available to the Department immediately upon demand.

**10. RIGHT TO KNOW LAW.**

- A. The Grantee or sub-grantee understands that this Grant Agreement and records related to or arising out of the Grant Agreement are subject to requests made pursuant to the Pennsylvania Right-to-Know Law, 65 P.S. §§ 67.101-67.3104, ("RTKL"). For the purpose of these provisions, the term "the Commonwealth" shall refer to the granting Commonwealth agency.
- B. If the Commonwealth needs the Grantee's or sub-grantee's assistance in any matter arising out of the RTKL related to this Grant Agreement, it shall notify the Grantee or sub-grantee using the legal contact information provided in the Grant Agreement. The Grantee or sub-grantee, at any time, may designate a different contact for such purpose upon reasonable prior written notice to the Commonwealth.
- C. Upon written notification from the Commonwealth that it requires Grantee's or sub-grantee's assistance in responding to a request under the RTKL for information related to this Grant Agreement that may be in Grantee's or sub-grantee's possession, constituting, or alleged to constitute, a public record in accordance with the RTKL ("Requested Information"), Grantee or sub-grantee shall:
  - (1) Provide the Commonwealth, within 10 calendar days after receipt of written notification, access to, and copies of, any document or information in Grantee's or sub-grantee's possession arising out of this Grant Agreement that the Commonwealth reasonably believes is Requested Information and may be a public record under the RTKL; and,
  - (2) Provide such other assistance as the Commonwealth may reasonably request, in order to comply with the RTKL with respect to this Grant Agreement.
- D. If Grantee or sub-grantee considers the Requested Information to include a request for a Trade Secret or Confidential Proprietary Information, as those terms are defined by the RTKL, or other information that Grantee or sub-grantee considers exempt from production under the RTKL, Grantee or sub-grantee must notify the Commonwealth and provide, within 7 calendar days of receiving the written notification, a written statement signed by a representative of Grantee or sub-grantee explaining why the requested material is exempt from public disclosure under the RTKL.
- E. The Commonwealth will rely upon the written statement from Grantee or sub-grantee in denying a RTKL request for the Requested Information unless the Commonwealth determines that the Requested Information is clearly not protected from disclosure under the RTKL. Should the Commonwealth determine that the Requested Information is clearly not exempt from disclosure, Grantee or sub-grantee shall provide the Requested Information within 5 business days of receipt of written notification of the Commonwealth's determination.
- F. If Grantee or sub-grantee fails to provide the Requested Information within the time period required by these provisions, Grantee or sub-grantee shall indemnify and hold the Commonwealth harmless for any damages, penalties, costs, detriment or harm that the Commonwealth may incur as a result of Grantee's or sub-grantee's failure, including any statutory damages assessed against the Commonwealth.
- G. The Commonwealth will reimburse Grantee or sub-grantee for any costs associated with complying with these provisions only to the extent allowed under the fee schedule established by the Office of Open Records or as otherwise provided by the RTKL if the fee schedule is inapplicable.
- H. Grantee or sub-grantee may file a legal challenge to any Commonwealth decision to release a record to the public with the Office of Open Records, or in the Pennsylvania Courts; however, Grantee or sub-

grantee shall indemnify the Commonwealth for any legal expenses incurred by the Commonwealth as a result of such a challenge and shall hold the Commonwealth harmless for any damages, penalties, costs, detriment or harm that the Commonwealth may incur as a result of Grantee's or sub-grantee's failure, including any statutory damages assessed against the Commonwealth, regardless of the outcome of such legal challenge. As between the parties, Grantee or sub-grantee agrees to waive all rights or remedies that may be available to it as a result of the Commonwealth's disclosure of Requested Information pursuant to the RTKL.

- I. The Grantee's or sub-grantee's duties relating to the RTKL are continuing duties that survive the expiration of this Grant Agreement and shall continue as long as the Grantee or sub-grantee has requested information in its possession.

## **11. FISCAL AND PROGRAM RECORDS.**

- A. The Grantee agrees to maintain program and fiscal records required by the Department. For purposes of this Grant Agreement, "fiscal and program records" shall include, but not be limited to, books, records, documents, sub-grants or sub-contracts and other evidence pertaining to the costs and expenses of this Agreement, records relating services being provided, statistical information collected in the course of performing services, policies and procedures, information relating to staff and job descriptions, and all information necessary for the Grantee to perform the work required under the Grant Agreement. The Grantee agrees that a program and facilities review, including meetings with consumers, review of service records, review of service policy and procedural issuances, review of staffing ratios and job descriptions, and meetings with any staff directly or indirectly involved in the provision of services may be conducted at any reasonable time by state and Federal personnel and other persons duly authorized by the Department.
- B. The Grantee agrees to maintain statistical records required by the Department to produce program narrative and statistical data at times prescribed by, and on forms furnished by the Department.
- C. The Grantee agrees to maintain fiscal records to the extent and in such detail as will properly reflect all net costs, direct and indirect, of labor, materials, equipment, supplies and services and other costs and expenses of whatever nature for which reimbursement is claimed under the provisions of this Grant Agreement. If contractor is not a public body, contractor agrees to maintain books, records, documents and other evidence in accordance with accounting procedures and practices which meet generally accepted accounting principles.
- D. If this Grant Agreement provides funding for a clinic or program which receives income or funding other than directly through this Grant Agreement (such as, but not limited to, third party reimbursement for patients), the Grantee agrees that all parts of this Paragraph 11 of these Standard General Terms and Conditions shall also apply to contractor's records pertaining to such other sources of funding or income supporting the clinic or program.
- E. The Grantee agrees to make available at the Office of the Grantee at all reasonable times during the term of this Grant Agreement and the period set forth in Paragraph 12 below, any of the records for inspection, audit or reproduction by any authorized representative of the Department, the Department's Comptroller, the Auditor General, the Inspector General or Federal auditors.
- F. The provisions of this Paragraph 11 shall be applicable to and included in each sub-grant or sub-contract entered into by the Grantee in the performance of this Grant Agreement.
- G. The Grantee agrees to collect statistical data of a fiscal nature on a regular basis and to make fiscal statistical reports at times prescribed by, and on forms furnished by the Department.

## **12. RECORD RETENTION REQUIREMENTS.**

All records kept pursuant to Paragraph 11 shall be retained pursuant to the provisions of this Paragraph 12.

- A. The Contractor shall preserve and make available its records for a period of 4 years from the date of final payment under this Agreement, and for such period, if any, as is required by applicable statute, by any other Paragraph of this Agreement, or by sub-paragraphs (1) or (2) below.
- (1) If this Agreement is completely or partially terminated, the records relating to the work terminated shall be preserved and made available for a period of 5 years from the date of any resulting final payment.
  - (2) Records which relate to litigation or the settlement of claims arising out of the performance of this Agreement, or costs and expenses of this Agreement as to which exception has been taken by the auditors, shall be retained by the Contractor until such litigation, claims, or exceptions have been disposed of.
- B. Except for the records described in sub-paragraph A(2) above, the Contractor may, in fulfillment of its obligation to retain its records as required by this Paragraph, substitute photographs, microphotographs, or other authentic reproductions of such records, after the expiration of 2 years following the last day of the month of reimbursement to the Contractor of the invoice or voucher to which such records relate, unless a shorter period is authorized by the Department, with the concurrence of the auditors.

**13. FEDERAL FUNDS.**

The Grantee certifies that the Federal funds provided by this Agreement do not replace or supplant in any way any other funds, whether state, local or private, being used to provide already existing services. The Grantee further certifies that the services to be provided under this Agreement are not already available without cost. The Grantee further certifies that the addition of Federal funds will result in a commensurate program expansion.

**14. QUALITY ASSURANCE.**

Unless otherwise provided herein, the Grantee, with due diligence, shall furnish all necessary qualified personnel, material and equipment, managing and directing same to complete the work required by this Grant Agreement. The Grantee's work hereunder shall be monitored by the Project Officer and the Project Officer's designated representatives. If requested by the Department, The Grantee shall produce or provide special reports to the Department in a timeframe and format specified by the Department.

**15. PROGRAM CHANGES.**

The Project Officer may at any time, by written order, make changes in the statement of work, provided such changes are within the general scope of the statement of work and provided further that the total cost of this Grant Agreement is not exceeded. The Project Officer and the Grantee shall mutually determine whether the ordered changes can be accomplished within the total Grant Agreement cost and the extent of change, if any, in delivery schedules required by the ordered changes. Failure of the Project Officer and the Grantee to arrive at such mutual determinations shall be a dispute concerning a question of fact within the meaning of the Paragraph 2 of this Appendix entitled "Grant Construction." The Project Officer may not change the scope of work or increase the total cost of this Grant Agreement.

**16. WRITTEN COMMITMENT.**

Any written commitment or representation of the Grantee made within the scope of this Agreement shall, if accepted by the Project Officer in writing, be binding upon the Grantee and shall be incorporated as a part of this Grant Agreement.

**17. KEY PERSONNEL.**

The personnel specified in this Grant Agreement are considered to be essential to the work being performed hereunder. Prior to diverting any of the specified individuals to other programs, the Grantee shall notify the Project Officer reasonably in advance and shall submit justification including proposed substitutions, in sufficient

detail to permit evaluation of the impact on the program. No diversion shall be made by the Grantee without the written consent of the Project Officer.

**18. INSPECTION AND ACCEPTANCE.**

Final inspection and acceptance of all work required under this Grant Agreement shall be performed by the Project Officer.

**19. TRAVEL AND SUBSISTENCE COSTS.**

The Department shall not be liable for travel or subsistence costs except as specifically set forth in this Grant Agreement.

**20. OWNERSHIP RIGHTS.**

- A. Definition: The term "data," as used herein, includes but is not necessarily limited to written reports and analyses, diagrams, maps, system designs, computer programs, flow charts, software, magnetic tapes, diskettes, drawings, studies, manuals, brochures, advertisements, documents, sketches, papers, files, information, computer documentation, other tangible materials, and work of any similar nature which is required to be performed by or for the Contractor under this Grant Agreement or which is incidentally prepared by or for the Contractor in the performance of this Grant Agreement. Data includes background material prepared by or for the Contractor incidental to the performance of this Grant Agreement. Background material is defined as original work papers, notes, and drafts prepared by or for the Contractor to support conclusions in any final report or product delivered under this Grant Agreement, including but not limited to completed questionnaires and material in electronic data processing form, computer programs, and other tangible materials produced by or for the Contractor during the term of this Grant Agreement and directly related to the services being rendered. It does not include Contractor's financial reports or other information incidental to the administration of this Grant Agreement.
- B. Preexisting Materials Brought by Contractor to the Project: The Department shall have no ownership rights to Contractor's data, proprietary materials, methodologies or other intellectual property that Contractor brings to the Project or has previously developed with or obtained from third parties. Contractor shall provide a list of all preexisting data, proprietary materials, methodologies or other intellectual property in connection with the Grant Agreement prior to starting work. Notwithstanding the foregoing provision, where materials brought by the Contractor to the Project are necessary to use the deliverables required under this Grant Agreement, the Contractor shall, and hereby effectively does, grant to the Department a paid-up, nonexclusive, nontransferable license to use, modify, prepare derivative works, and to grant to third parties engaged by the Commonwealth the right to use, modify, and prepare derivative works, from all or any portion of the material brought by the Contractor to the Project.
- C. Ownership of Data: Any Data that fits the definition of "work made for hire," as that term is defined in United States copyright law, shall be considered a "work made for hire." All rights to these Data shall vest in the Department, which shall have sole and exclusive ownership of all Data. In the event that such Data do not fall within the specifically enumerated works that constitute "works made for hire" under the United States copyright laws, Contractor agrees to assign and, upon their authorship or creation, expressly and automatically assigns all copyright interests, proprietary rights, trade secrets, and other right, title and interest in and to such Data to the Department. The Department shall have the rights accorded a holder of copyright under the United States copyright laws including, but not limited to, the exclusive right to reproduce the Data in copies, the right to distribute copies by sale or other transfers, the right to register all copyrights in its own name as author in the United States and foreign countries, the right to prepare derivative works based upon the Data, and the right to display the Data. Upon completion or termination of this Agreement, Contractor shall immediately deliver all working papers, files, background material, and other documentation to the Department. Contractor warrants that the Data are original and do not infringe the rights of any other work.
- D. Data Processing: All computer programs, tapes, and software developed under this Agreement, and any

data or information provided to the Department by diskette or electronic means, shall be compatible with Department computer systems. Specifications, if not included elsewhere in this Agreement, may be obtained from the Project Officer.

- E. Federal Government Interests: It is understood that certain funding under this Agreement may be provided by the Federal Government. Accordingly, the rights to Data of Contractors or sub-contractors hereunder will be further subject to government rights as set forth in 37 C.F.R. § 401, and other applicable statutes. Notwithstanding the foregoing, the Department retains the right to share information with the Federal Government relating to Data developed under a wholly state-funded Grant Agreement.
- F. Defense of Infringement Claim: The Contractor shall hold the Commonwealth harmless for any suit or proceeding brought against the Commonwealth, including the Department, or their officials or employees, on account of any alleged infringement of any United States or foreign copyrights, patents, trademarks, or trade secrets arising out of the performance of this Agreement, including any suit or proceeding relating to all work, services, materials, reports, studies and computer programs provided by the Contractor. The Contractor shall pay all damages and costs awarded therein against the Commonwealth. Pursuant to the Commonwealth Attorney's Act 71 P.S. §§ 732 – 101, et seq., the Office of Attorney General (OAG) has the sole authority to represent the Commonwealth in actions brought against the Commonwealth. The OAG may, however, in its sole discretion and under the terms it deems appropriate, delegate its right of defense. If information and assistance are furnished by the Commonwealth at Contractor's written request, it shall be at the Contractor's expense, but the responsibility for such expense shall be only that within the Contractor's written request. If any of the data, materials, reports, studies or computer programs provided by the Contractor are held to constitute infringement, and the use of publication thereof is enjoined in such suit or proceeding, the Contractor shall, at its own expense and at its option, either procure the right to publish or continue use of such infringing data, materials, reports, studies or computer programs, replace them with non-infringing items, or so modify them so that they are no longer infringing. If after a reasonable time and good faith effort, the Contractor is unable to comply with the requirements of the immediately preceding sentence, the Contractor shall return to the Department that portion of Grant Agreement funds expended by the Contractor in relation to the infringing item. The obligations of the Contractor under this Paragraph continue without time limit.

## **21. Department Approval and Attribution.**

- A. All printed material is subject to written preapproval by the Department. "Printed material" includes, but is not limited to, notices, informational pamphlets, press releases, research reports, brochures, manuals, labels, newsletters, artwork, and print advertisements. All printed material must bear the Department logo and the names and titles of the Governor and the Secretary of the Department of Drug and Alcohol Programs unless otherwise authorized in writing by the Department's Contracting Officer. All material produced for radio and television must also be approved for quality of content and accreditation in writing by the Department's Contracting Officer prior to final production as well as after final production.
- B. Department attribution shall be at the Department's sole discretion. If the Department requires attribution on printed materials, the Contractor shall include the following statement on printed materials released by the Contractor: "This project is funded, in part, under a Grant Agreement with the Pennsylvania Department of Drug and Alcohol Programs. Basic data for use in this study were supplied by the Pennsylvania Department of Drug and Alcohol Programs, Harrisburg, Pennsylvania. The Department takes no part in and is in no way responsible for any analyses, interpretations or conclusions," or another statement approved by the Department. If the Department requires attribution on materials produced for radio and television, the Contractor shall include a statement approved by the Department.

## **22. FORMS APPROVAL.**

All forms, questionnaires, survey instruments, etc., developed under this Grant Agreement shall be subject to prior written approval by the Department.

**23. CONFIDENTIALITY, SENSITIVE DOCUMENTS AND INFORMATION.**

- A. The Grantee shall maintain the confidentiality of medical records of individuals served by the Grantee under this Agreement except to disclose such confidential information to the Department for purposes of consultation or the Department's monitoring of this Agreement.
- B. Sensitive Information: The Grantee shall not publish or otherwise disclose, except to the Department and except matters of public record, any information or data obtained hereunder from private individuals, organizations, or public agencies, in a publication whereby the information or data furnished by or about any particular person or establishment can be identified, except with the informed consent of such person or establishment.
- C. The Grantee shall not release any sensitive documents or information without the prior written approval of the Department. The term "sensitive documents or information" shall mean a document or information that contains the description, design, operational plan, or other vital information about a critical facility or infrastructure located in Pennsylvania and bordering states (e.g., nuclear power plants, hazardous chemical plant, oil refinery, bridge, dam, tunnel, etc.), or contains information about the operational protocols or emergency response capabilities of state and local agency personnel, the content of which could be used by a terrorist or enemy of the United States to plan an attack upon a critical facility located in Pennsylvania and bordering states or engage in other activities that could cause death or injury to fire, police, medical, military, or other emergency response personnel, public officials, or the general public.

**24. COLLECTION OR RECORDING OF INFORMATION.**

The Grantee shall submit to the Project Officer for written approval prior to use, copies of each questionnaire and survey plan, including plans for structured interviews and consultations, for the collection of information upon identical items from five or more individuals or organizational elements. The term "structured interview and consultation" is defined as an interview or consultation which follows a pre-designed line of questioning that takes approximately the same form for all the respondents being interviewed or consulted.

**25. INTERESTS OF MEMBERS OF THE COMMONWEALTH AND OTHERS.**

No officer, member or employee of the Commonwealth and no member of its General Assembly, who exercises any functions or responsibilities under this Agreement, shall participate in any decision relating to this Agreement which affects that person's personal interest or the interest of any corporation, partnership, or association in which that person is, directly or indirectly, interested; nor shall any such officer, member or employee of the Commonwealth or member of its General Assembly have any interest, direct or indirect, in this Agreement or the proceeds thereof.

**26. INTEREST OF GRANTEE.**

The Grantee covenants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of its services hereunder. The Grantee further covenants that in the performance of this Agreement, it shall not knowingly employ any person having such interest. Grantee further certifies that no member of the board of the Grantee or any of its officers or directors have such an adverse interest.

**27. DEFAULT AND TERMINATION.**

- A. The Department may, subject to the provisions of sub-paragraph C below, by written notice of default to the Grantee, immediately terminate upon such terms as said notice shall set forth, the whole or any part of this Agreement in any one of the following circumstances:
  - (1) If the Grantee fails to perform the services within the time specified herein or any extension thereof;  
or,

- (2) If the Grantee fails to perform any of the other provisions of this Agreement, or so fails to make progress as to endanger its terms, and in either of these two circumstances does not cure such failure within a period of 10 days (or such longer period as the Department may authorize in writing) after receipt of notice from the Department specifying such failure.
- B. In the event the Department terminates this Agreement in whole or in part as provided in sub-paragraph A above, the Department may procure, upon such terms and in such manner as the Project Officer may deem appropriate, services similar to those so terminated and the Grantee shall be liable to the Department for any excess costs for such similar services, provided that the Grantee shall continue the performance of this Agreement to the extent not terminated under the provisions of this Paragraph 27.
- C. Except with respect to defaults of or sub-grantees, the Grantee shall not be liable for any excess costs if the failure to perform this Agreement arises out of causes beyond the control and without the fault or negligence of the Grantee. Such causes may include, but are not restricted to, acts of God or of the public enemy, acts of the Commonwealth of Pennsylvania in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restriction, strikes, freight embargoes, and unusually severe weather; but in every case the failure to perform must be beyond the control and without the fault or negligence of the Grantee. If the failure to perform is caused by the default of a sub-grantee, and if such default arises out of causes beyond the control of both the Grantee and sub-grantee and without the fault or negligence of either of them, the Grantee shall not be liable unless the services to be furnished by the sub-grantee were obtainable from other sources in sufficient time to permit the Grantee to meet the required delivery schedule.
- D. If this Agreement is terminated as provided in sub-paragraph A above, the Department shall require the Grantee to transfer title and deliver to the Department such partially completed reports or other documentation as the Grantee has produced under this Agreement. Payments for completed reports and other documentation delivered to and accepted by the Department shall be at the Agreement price. Payment for partially completed reports and other documentation delivered to and accepted by the Department shall be in an amount agreed upon by the Grantee and the Project Officer. Failure to agree to such amount shall be a dispute concerning a question of fact within the meaning of Paragraph 2 of this Appendix entitled "Grant Agreement Construction." The Department may withhold from amounts otherwise due the Grantee for such completed or partially completed reports or other documentation such sum as the Department determines to be necessary to protect it against loss because of outstanding liens or claims of former lien holders.
- E. The rights and remedies of the Department provided in this Paragraph 27 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Grant Agreement.
- F. The Department may cancel this Grant Agreement, in whole or in part, at any time for the convenience of the Commonwealth by giving written notice to the Grantee. Should the Department exercise its rights under this clause, the Department will pay the Grantee for all work done by the Grantee under this Agreement until such time as the Department sets forth in its written notice to Grantee.
- G. Should the Grantee become insolvent, or if proceedings in bankruptcy shall be instituted by or against the Grantee, the remaining or unexpired portion of this Agreement may, at the election of the Department, be terminated.
- H. In addition, this Agreement may be cancelled by either party upon 30 days advance written notice.

**28. GRANT AGREEMENT CONTINGENT UPON LEGISLATIVE APPROPRIATION.**

Payment hereunder is subject to the availability of state and/or Federal funds.

**29. AVAILABILITY OR SUFFICIENCY OF DEPARTMENT FUNDS.**

In addition to any other termination provision within this Grant Agreement, the Department may terminate this Grant Agreement at any time in the event funds, including, but not limited to, Federal program funds, become

unavailable or are insufficient for Department program purposes. In such case, the Department will provide the Grantee with advance notice to the extent reasonable and possible under the circumstances to either terminate the Grant Agreement overall, or suspend all or a portion of such Grant Agreement as determined by the Department and set forth in its notice to the Grantee. The Department will pay the Grantee for satisfactory work completed up until such termination or outside such suspension period, but in no event shall the Grantee be entitled to receive loss of profits.

**30. COVENANT AGAINST CONTINGENT FEES.**

The Grantee warrants that no person or selling agency has been employed or retained to solicit or secure this Agreement upon an Agreement or understanding for commission, percentage, brokerage or contingent fee (excepting bona fide employees or bona fide established commercial selling agencies maintained by the Grantee for the purpose of securing business). For breach or violation of this warranty, the Commonwealth shall have the right to annul this Grant Agreement without liability or, in its discretion, to deduct from the consideration otherwise due under this Grant Agreement, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.

**31. ENVIRONMENTAL PROTECTION.**

In carrying out this Grant Agreement, the Grantee shall minimize pollution and shall strictly comply with all applicable environmental laws and regulations.

**32. EQUAL EMPLOYMENT OPPORTUNITY.**

- A. The Grantee shall not discriminate against any employee, applicant for employment, independent contractor or any other person because of race, color, religious creed, ancestry, national origin, age, or sex. The Grantee shall take affirmative action to insure that applicants are employed, and that employees or agents are treated during employment, without regard to their race, color, religious creed, ancestry, national origin, age, or sex. Such affirmative action shall include, but is not limited to: employment, upgrading, demotion or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training. The Grantee shall post in conspicuous places, available to employees, agents, applicants for employment, and other persons, a notice to be provided by the contracting agency setting forth the provisions of this nondiscrimination clause.
- B. The Grantee shall, in advertisements or requests for employment placed by it or on its behalf, state that all qualified applicants will receive consideration for employment without regard to race, color, religious creed, ancestry, national origin, age, or sex.
- C. The Grantee shall send each labor union or workers' representative with which it has a collective bargaining Agreement or other Grant Agreement or understanding, a notice advising said labor union or workers' representative of its commitment to this nondiscrimination clause. Similar notice shall be sent to every other source of recruitment regularly utilized by the Grantee.
- D. It shall be no defense to a finding of noncompliance with this nondiscrimination clause that the Grantee had delegated some of its employment practices to any union, training program, or other source of recruitment which prevents it from meeting its obligations. However, if the evidence indicates that the Grantee was not on notice of the third-party discrimination or made a good faith effort to correct it, such factor shall be considered in mitigation in determining appropriate sanction.
- E. Where the practices of a union or training program or other source of recruitment will result in the exclusion of minority group persons, so that the Grantee will be unable to meet its obligations under this nondiscrimination clause, the Grantee shall then employ and fill vacancies through other nondiscriminatory employment procedures.
