

2021 ASAM Criteria Skill Building Training Now Open for Registration

VIRTUAL 2-Day ASAM Criteria Skill Building Training

This two-day application-focused training provides participants with an in-depth look at the theoretical foundations of the Criteria, including clinically driven services, bio-psychosocial assessment, the six dimensions, continued stay and transfer/discharge criteria. Incorporating the use of the new edition of The ASAM Criteria, participants have opportunities for skill practice at every stage of the treatment process: assessment, engagement, treatment planning, continuing care and transfer or discharge. As a resource for continuing skill application, all participants will receive:

- a copy of The ASAM Criteria 3rd Edition.
- an in-depth Training Journal to guide the training.
